What's New

In September residents and family members were able to spend a couple of beautiful afternoons at Ocqueoc Falls Park. Those attending lunched on grilled hot dogs, potato chips, and dessert. Everyone had a great time viewing the falls and getting outside. In October we will be heading out to Knabe's Apple Farm for a quick tour and doughnuts and then taking a drive to view the fall colors. Let Jen or Paula know which of the four dates you would like to go!!

Setting fire to the leaves,
Autumn creeps in,
unleashing her transformation;
a new season begins.
From the crunch underfoot
to the nip in the air,
Autumn goes boldly
with her bright Auburn hair,
She dances with the trees
and shakes them to their core,
Autumn leaves them bare,
before opening the door
to Winter, who breezes in
coldly cooling Autumn's embers.
But until then, her majesty is in residence
through October, from September
